## Policy Statement

Cornell Institute of Training is committed to fostering a culture of openness, fairness, and continuous improvement where students and other stakeholders feel safe to provide feedback, raise concerns, or appeal decisions without fear of disadvantage or reprisal. The organisation recognises that both **informal and formal complaints** play a crucial role in enhancing the quality of services, ensuring student satisfaction, and maintaining accountability.

This policy outlines processes for:

- **Informal complaints and feedback**

- Encourages open communication between students and staff to resolve issues at the earliest opportunity, informally and at the local level.
- Supports VET students to raise concerns directly with Trainers and Assessors, assessors, support staff, or the CEO (with appointment), allowing for timely and flexible resolution.
- Promotes a culture where feedback (both positive and constructive) is welcomed as part of day-to-day interactions and regular feedback surveys.

- **Formal complaints and feedback**

- Provides a structured and documented process for VET students or other stakeholders who wish to escalate concerns that were not resolved informally or that require a formal review.
- Ensures that formal complaints are handled impartially, fairly, and within reasonable timeframes by designated personnel who are independent of the issue.
- Guarantees that procedural fairness is maintained, outcomes are documented, and students are informed of resolution avenues, including external escalation options.

Furthermore, Cornell Institute of Training ensures that:

- VET Students are fully informed of their rights to provide feedback, lodge complaints, and appeal decisions through multiple accessible channels.
- All complaints and appeals, whether informal or formal, are treated confidentially and are used as valuable inputs for continuous improvement.
- Feedback, complaints, and appeals can relate to any aspect of the student experience, including services provided by third parties delivering training or assessment on behalf of Cornell Institute of Training

This policy strengthens Cornell Institute of Training's commitment to a fair, respectful, and supportive learning environment where student voices are heard and acted upon.
